

For more Comfortable Cutting...

Low Vibration

Counterweight balancing system reduces vibration. Reducing vibration makes operator feel more comfortable when cutting various workpieces.

Ergonomically designed rubberized grip

Provides more control and comfort while minimizing hand fatigue and pain.

3 Orbital Settings + Straight Cutting

Optimum cutting action can be selected by simply turning the change lever.

Sliding Dust Cover

Improves dust-collection efficiency and prevents scattering of chips.

Variable speed control by dial
ensures optimum cutting speed per job.

Powerful
450 W

Hex Wrench Storage

Connectable to Vacuum Cleaner Using Hose (Optional Accessory)

Rigid and Rust-Resistant Aluminum Base

slides smoothly over the surface of a workpiece.

Bevel cutting

Base can be tilted up to 45 degrees to the left or right.

Thick Blade (1.7mm thickness) is available

in Addition to the Current 1.1mm Thickness Blade. 1.7mm thick blade performs well in straight cutting and curve cutting to thick workpiece. Bosch's equivalent can be installed.

Accessories

Anti-Splintering Device
(For cleaner cuts) 5per pkg.

Part No. 192557-6

Guide Rule Set
Part No. 192732-4
