Band Saw
LB1200F

Satisfy Professional's Needs

The Makita logo, featuring the brand name in a stylized white font with red horizontal stripes on a red rectangular background.A detailed view of the Makita LB1200F band saw. The machine is teal and grey, with a large wooden beam being cut. The blade is visible, and the machine has various adjustment knobs and a red emergency stop button. The background is a bright, slightly blurred workshop setting.

Expand your working capacity

Cutting capacity
165mm **305mm**
 Maximum height Throat width

LED job light switch

Anti-restart function

(for countries where regulations require it) prevents accidental startup for safety even if the machine is plugged to power source with the switch on.

Easy-to-Read Scale

with large graduations and magnifying lens.

Wheeled stand for easier mobility

Stand with two caster wheels and a lifting handle adds mobility for convenient repositioning of the machine.

Quick-release tension lever for tool-less easy blade change

allows to easily loosen or tighten the band saw blade without using tools.

LED job light

6 LEDs illuminate working surface for easier cutting in dark places.

Bevel cutting

base can be tilted up to 45-degrees.

Easy connecting with vacuum cleaner

Both 63mm and 100mm hoses can be connected.

High / Low speed

selection for excellent results in both hard and soft wood

Dust box
keeps the work place clean.
