

Cordless Planer

Satisfy Professional's Needs

BKP180Z 

82mm

POWERFUL PLANERS

Now Free From Cord

Optimum angle and shape of handle for easy gripping and handling

Rubberized soft grip
Handle is widely covered with elastomer for more comfort, control and less fatigue.

Straight-line face
for ease to push handle

Ribbed non-slip elastomer grip
enables all finger tips to hold the handle more securely.

Ergonomic angle and shape
for easy gripping and handling

Foot on base plate
protects workpiece and blades from scratches and damages even if the machine is put on workpiece before drum comes to a complete halt.

V-groove on base
for easy chamfer cutting

Enhanced chip ejection

thanks to improved fan design that produces larger exhaust air volume.

Connectable to Makita vacuum cleaners and Dust bag assembly

Planing depth adjustment knob for precise depth setting

With click stops and easy-to-read scale with 0.1mm divisions. Covered with non-slip elastomer for secure and comfortable grip.
