- Staff from other departments for cross training.
- Purchasing officers.

KNOW MORE = SELL MORE

The 3 Day Course conducted in our dedicated training facilities at the three branches - Johannesburg, Durban and Cape Town consists of -

- **Comprehensive** course notes on the Makita tool range complete with the latest general catalogue in a folder that can be used on the counter or out on site.
- **Theory sessions** on each of the tool categories with multimedia presentations and explanations of the features and benefits of the tools.
- **Hands on practical** - after each theory session the trainees have the opportunity to safely use a variety of tools from each of the categories. This helps to identify the correct tool for the application.
